Tiger Cycles are celebrating 25 years in the bicycle industry this year. We source the best quality parts from manufacturers around the world, to assemble the finest cycles in our state of the art factory.

On the following pages you will find a wide variety of cycles for all ages and abilities, whether it is lightweight Aluminium framed Racing bikes, Folding bikes, Mountain bikes or our extensive range of Ladies and Gents Hybrid bikes.

You will find we use exclusively Shimano gear mechanisms and shift levers and all geared models now include sealed cartridge bottom brackets, parts which are normally only found on brands with much higher RRP’s.

Our new Urban Culture range of single speed cycles are designed with superb appearance in mind whilst offering the best value for money Fixie’s and BMX’s.

The new range of Children’s pavement cycles delivers all three sizes in three exquisite colour ways and all include stabilizers and mudguards as standard together with a dolly carrier for girls and drinks bottle for boys.

Our extensive range of spare parts and accessories now encompasses everything from bearings to bottles and includes a new large range of branded parts from the world’s largest component companies like Shimano, Prowheel and Promax. For the latest details visit our website www.tigercycles.com.

We trust you will enjoy using our products as much as we have enjoyed designing and making them.
